

Developing practical strategies for remote/e-participation

- * techniques / synchronisation remote / in situ /
- * time zones

- Have a good plan B.
- Preparation → - create synergies

- participatory
- needs assessment (stakeholders)
- (rotation, adjusting to) → - checking time zones
- times, etc - tools -

- Practical means of participation before hand follow up.
- Remote co-creation of agenda.
- Moderator: prepared, engaged, give equal weight to remote
