

How does stake participation
change a meeting?

- what does it add
- is it always appropriate - if not when?

- In multi-stakeholder meetings, it adds value
- Depends on legal frameworks - vote?
- If it is decision making, make sure all are included
- Access to infrastructure is precondition
- Create a task force among orgs that provide co-operation → guide about RP
- Clubs are a good model - community building
- Involvement at early stages - agenda
